

2018 Colombia Mission Trip

One Heart Colombia & Diocese of Knoxville Mission Trip to Marsella, Colombia – South America

Mission Statement:

One Heart Colombia Mission: To Serve Mankind

St. Therese of Lisieux is the 'Patroness of the Missions.' She reminds us that it is up to all of us to go and teach the Gospel as Our Lord commanded us to. Her life and writings emphasize that whatever our state in life, even if we're unable to make big gestures, we can be bearers of God's love and mercy if we surrender all that we are to Jesus Christ.

Help us feed them with food and His Word!

A group of youth and adult chaperones from The Diocese of Knoxville will be going to Colombia South America in June 2018. While there, they will be working with underprivileged children and their families through various activities, including a VBS for 150 children. They will go to a nursing home to visit with the elderly. In addition, home visits will be made to pray and interact with families.

Not only will they have the opportunity to experience another culture, but also to make a difference in the lives of those within that culture.

The trip will cost \$1700 per person, which includes VBS materials and food bags for over 250 families in Marsella. We are in the process of raising money through various fundraisers and service projects. Your donation helps support individuals, and the Mission Team, to reach this goal.

Checks or money orders made out to One Heart Colombia. Please indicate on the memo line – donation and / or the Mission Team Member you are sponsoring. Be sure to include your completed form along with your payment.

All donations are tax- deductible. Thank you for your support!
